## Chapter 1 by Alex Mares

We wanted to go to Disneyland, but we didn't have enough money. Since my mom had lost her job and my dad, I don't even think I even have a dad, my brother left a long time ago, and my uncle had left with his fiance. Since her fiance said it was either her or your family and my uncle chose his fiance. One day my mom is here, the next day she's not. Why, why did she have to do this to me. She knows I'm a dependent person not an independent person. She doesn't have to walk off just like that, she can at least wait a little while and live with me. The day my mother left she said she was going to buy a gallon of Ice Cream but I guess that was just an excuse to leave me behind.

## Chapter 2 by Alex Mares

My adopted parent had gotten a letter from my mom, I was so frustrated since she didn't even show me it until later last night. It revealed everything, why my mom had left. This is what the letter said,"Dear Abby, I am so deeply sorry for me missing out. But it was all for our plan so we could go to Disneyland remember? But it all went very bad, I committed armed robbery I killed three innocent people and now I have to serve ten years of jail. So please forgive me. See you until your 21. I love Anita Robbins.
